The 2010 [Climate Solution Award](#) winner will tell about his incredible experience in Switzerland and how you may become the next student selected in Singapore

Discover the [Climate Trail Exhibition](#), illustrating the latest scientific findings on Climate Change and describing everyday actions to reduce carbon emissions

[TOPtoTOP Global Climate Expedition](#) is an UN-endorsed initiative founded in 2002 in Switzerland.

The expedition led by Dario Schwoerer and his family of 3 -soon 4- aims to establish a world record by traveling in all climate zones, over the 7 Seas to the 7 Summits using only alternative energies, demonstrating that great goals and progress can be achieved in harmony with the environment, while inspiring a better future.

The event is free of charge, but [registration](#) is required  
Please find further information [here](#)
